

# Dr. Dynasaur

Dr. Dynasaur

Dr. Dynasaur is the same as having Medicaid. If a child qualifies for the Dr. Dynasaur program he or she is entitled to the same Medicaid services, called EPSDT, that any child with Medicaid can receive. The Dr. Dynasaur program is one of "six ways" a child can receive Medicaid benefits.

A family MAY have other health insurance coverage and still qualify for Dr. Dynasaur coverage!

## Income Guidelines for Financial Eligibility: (Effective January 2007)

Your household size is:	185% FPL Annual income is no more than:*	225% FPL Annual income is no more than:*	300% FPL Annual income is no more than:*
1	\$18889*	\$22973*	\$30630*
2	25327*	30803*	41070*
3	31765*	38633*	51510*
4	38203*	46463*	61950*
5	44641*	54293*	72390*
6	51079*	62123*	82830*
7	57517*	69953*	93270*
8	63955*	77783*	103710*
each addition:	+\$6438*	+\$7830	+\$10440

\*Financial eligibility is based on monthly income.

Pregnant women are also covered under Dr. Dynasaur, but household income limitations are lower than for children. Call the Health Access Member Services Unit for details; **1-800-250-8427**.

## Monthly charges for Dr. Dynasaur (for all children in household): (Effective July 1, 2007)

Income (FPL is Federal Poverty Level)	Monthly Premium
Below 185% FPL	None
185% - 225% FPL	\$15/month
225% - 300% FPL with other health insurance coverage	\$20/month
225% - 300% FPL with no other health insurance coverage	\$40/month

If you want to pay your premiums automatically each month from your checking or savings account, call Health Access Member Services at 1-800-250-8427 (TTY 1-888-834-7898). Say that you want to make payments automatically.
